Jerry gave a rundown on the convention and benefits of going. Chapter members, Powell, Brenizer, Hancock, Meiling and Cunningham attended this year. Emphasis is now on better comms between National and Chapters. Regional Rep program will be strengthened to facilitate communications. This new emphasis should better knit the organization together.

Scholarship report from Hono:

This chapter has given out 1 scholarship this year. Pete Fowler's daughter has also applied, but late. Motion/seconded/carried to extend the application period and accept the application. Scholarship request will now go to the scholarship committee.

Oregon Veterans Plate:

Roll out date will be 15 Oct. Need DD214 showing SF MOS or qualification skill digit. Check with Jerry or ODMV for details. The state of Oregon has printed a hundred plates in an initial issue. We'd like to see some on our members vehicles soon.

There will be a Veterans Day parade in Vancouver on Nov 10th and one in Portland on Oct 12th.... any interested should coordinate with Dave Hancock.

Raffle tickets must be turned in to Hono by 17 Nov. We're in the black with the SOA convention yet to go.

Motion to keep existing officers for another 2 yr term was accepted. Dave Hancock graciously accepted the office of co-scribener to help scribe Zuments during his visits to VN

Meeting adjourned at 1430hrs.
